

Products of the Capstone

This capstone will produce a data driven report that will be suitable for submission to the journal of *Dimensions of Critical Care Nursing*. Publication guidelines are presented in Appendix C.

A poster abstract describing the study process, data analysis, and results is planned for submission to the Virginia Council of Nurse Practitioner Annual Conference, March 2017 and the Carolinas/Virginias Society of Critical Care Medicine 35 Annual Scientific Symposium, April 2017.
