The views expressed in this thesis are those of the author and do not reflect the official policy or position of the United States Army, Department of Defense, or the U.S. Government.

This project is dedicated to

Major James Devereux, Major Ray Dollins, Captain Silas Soule, Sergeant Alvin York, and to all the deceased heroes of America's wars – including those I knew personally.

May they experience the peace in death for which they fought so hard in life.
